Description:

Get ready for a learning experience like none other utilizing our unique interactive Linguistic Clock/Numbers Panel. To expand kids’ learning opportunities, the Linguistic Clock/Numbers Panel is available in English, Spanish, Cherokee, or the language of your choice (custom order for an extra fee). The Clock/Numbers Panel has a spinning hour-hand arrow to tech children to tell time, as well as learn numbers. Additional panels can be added to complete your Linguistic Panel Set to fit your desired learning needs.
