

Commercial Warranty Registration - Safety Certification

Completed Installation Date: _____

Project Name: _____

Site Street Address: _____

City: _____ ST: _____ Zip: _____

Play Mart Certified Installer:

Safety Certification: I certify that this Play Mart system was installed properly according to the manufacturer's specifications and drawings. The surfacing material meets CPSC recommendation (4.5) and ASTM F 1951-99 Standard for ADA accessible surface material and the ASTM 1292 -99 Standard for impact attenuation. In my professional opinion no safety violations exist on the structure or in the play zone.
